Navigieren Sie als portfolioadministrator nach (1) Admin (2) Konfiguration (3) Portfoliotemplate Einstellungen.

The screenshot shows the administration interface of the Open Schulportfolio system. At the top, there is a header bar with a user icon labeled 'admin Admin Benutzerprofil Abmelden'. Below this is a search bar containing the number '1'. To the left, there is a 'Versionen' button. The main content area is titled 'Administration' and contains a list of administrative tasks: 'Benutzerverwaltung', 'Zugangsverwaltung', 'Plugins verwalten', and 'Konfiguration'. The 'Konfiguration' item is highlighted with a pink underline and has a large pink number '2' next to it. To the right, there is a sidebar titled 'Inhaltsverzeichnis' which lists various configuration sections, each preceded by a small blue arrow. A large pink number '3' is placed at the bottom right of this sidebar. The entire interface is presented within a light gray box.
